Dear Sir,

Please find enclosed 2 copies of the Thermex Licence Certificate of Sanjay Ferro Metal Pvt. Ltd., valid up to 28th December 2023.

The licence follows the issue of latest Thermex guidelines, aimed to ensure long-lasting quality of the Thermex brand.

The Thermex Licence will be automatically renewed before expiry, provided it has not been revoked by H&K Rolling Mill Engineers Pvt. Ltd. and/or there is no other issue related to Thermex installation in your bar mill.

The Thermex Quenching System is proprietary equipment and use of the Thermex Trademark and the License is applicable only to those rolling mills which undertake necessary and regular maintenance of the Thermex system by installing original Thermex Quenching Pipes/Internal components. Any compromise of the proprietary Thermex Quenching System by installation of non-Thermex components will lead to revocation/ termination of Thermex Licence rights.

H&K Rolling Mill Engineers and Thermex look forward to a long-term relationship with Sanjay Ferro Metal Pvt. Ltd.

Thanking You,

Yours faithfully,
for H&K Rolling Mill Engineers Pvt. Ltd.

Bharat Suthar
Project Engineer
